advise would you please take your seats so we can begin final reading. First bill on final reading this morning will be LB 65. The Clerk will read the bill.

ASSISTANT CLERK: Title Read LB 65.

(Machine shut off)

SPEAKER: Alright, are there any resolutions on the desk?

CLERK: None Mr. President.

SPEAKER: Do you have any bills for introduction?

CLERK: Yes. I move the introduction of the attached bill, it's request number 806, from the Public Works Committee, signed by Senators Kremer, Warner, Hasebroock, Wiltse, Moylan, Lewis, Stromer, and Goodrich. It's relating to motor vehicle vehicles, exempt certain vehicles from inspection as prescribed and repeals the original section.

SPEAKER: Very good, Senator Kremer are you going to handle the motion? The Chair recognizes Senator Kremer.

SENATOR KREMER: Mr. Chairman, first of all I apologize for even introducing this bill because I didn't have any luck in (inaudible) however, an amendment was attached to another bill that would have provided for exactly what this bill calls for, and we were advised that it would be much better to have it as a separate bill. Now the truckers that are operating a fleet under section, chapter 43-05.09 now are having rigid inspections under the bureau of motor carrier safety of the department of transportation, and it just costs them extra expense to have an inspection by Nebraska since their inspection is more rigid then Nebraska inspections they ask for the bringing in of this bill that would not bring about a duplication of inspection. You have the explanation of, or the intent of the bill on your desk, I believe, they should have been distributed. So I move for the introduction of the bill by the Public Works Committee.

SPEAKER: Any further discussion of the motion? All those in favor of suspending the rules for the introduction of the bill please vote aye, all those opposed vote no. The question is shall the bill be introduced, all those in favor vote aye, all those opposed vote no. Your registered as voting. Thank you we will take care of that. Have you all voted? Okay, go ahead Senator Keyes, we will wait for you. Have you all voted? The Clerk will record.

CLERK: 31 ayes, no nays, the remainder not voting, on the motion.

SPEAKER: The bill is introduced. You want to read the title?

CLERK: Title Read LB 522. That's all the new bills Mr. President.

SPEAKER: Very good, Senator Kennedy for what purpose do you rise?

SENATOR KENNEDY: Mr. President and fellow members, a point of personal privilege.

SPEAKER: State your point Senator.

SENATOR KENNEDY: First I'd like to thank the body for the nice bouquet of flowers, I think it's nice to get flowers when you still can smell them, and I do appreciate that, then I'd like to also thank you for the nice cards, and your concern and
